Kim said she will send a notification to cancel today's call. However, she wants to listen in on the September 11th call as do I. Not sure about Amy, but I will get a conference room.

We are fine cancelling the call.

We are planning a meeting with Aquila for September 11. Kristi Wilson is calling in. Does anyone in Lansing want to be invited? If so, I will send a conference number around.

Hi! I'm on annual leave today so won't be available for the call with EPA. I don't have anything for the agenda – and am not sure if EPA has anything either. Not sure if you want to cancel it or not, but just wanted to let you know I won't be around. ☺
